Fundraising Made Easy

Supermarket Certificate Program

The way the program works is simple. All of our local supermarkets (Pathmark, Shoprite, and Stop & Shop) are generous enough to donate a percentage of their profit from our sale of gift cards back to OLQP. These gift cards are used just like cash at the supermarket. At checkout, you simply give the cashier the card and they will deduct your shopping total from the card. Any unused balance will remain on the card for your next visit. However, in order for OLQP to get the benefit you need to purchase them from the family association before you do your shopping.

You can send your request for gift cards by using the tear off below. The gift cards will be sent home with your child.

These gift cards don't cost you anything extra. **They can be used for your weekly grocery purchases, pharmacy purchases and other gift card purchases (Macy's, Best Buy, Gap, Toys R Us to name a few) at ShopRite and Stop & Shop.** Pathmark will accept the gift cards for grocery and pharmacy purchases only.

For every \$500 in gift cards that a family purchases your child/children will be awarded a "Nut" card (No Uniform Today) which can be used at anytime during the year.

We would like to thank you again for you continued support of our wonderful school.
